¹ "RoHS Compliant 2002/95/EC" means that the product or part ("Product") does not contain any of the substances in excess of the maximum concentration values in EU Directive 2002/95/EC, as amended by Commission Decision 2002/618/EC, unless the substance is in an application that is exempt under RoHS. This information represents Server Technology's knowledge and belief, which may be based in whole or in part on information provided by third part suppliers to Server Technology.

"In the event any Product is proven not to conform with this declaration, then Server Technology's entire liability and Buyer's exclusive remedy, will be at Server Technology's option either: (i) replace of Product with a conforming product, or (ii) refund of the purchase price paid by Buyer for each non-conforming Product, within a reasonable time after written notification of said non-conformance and return of said Product to Server Technology. Server Technology shall not under any circumstances be liable for direct, incidental, special or consequential damages (including but not limited to loss of profits, revenue, or business) related to or arising out of this declaration, including, the use, misuse or inability to use the Product. Unless stated otherwise in writing, the forgoing language cannot be waived, modified or supplemented in any manner whatsoever.
